

Product Recall - First Shoes Crawling Stage Shoes

We have become aware of a potential safety problem with the sole units on a number of our crawling shoe styles (listed below) sold over the past five months. In a couple of cases, a rubber moulding has become detached, resulting in small parts that could be dangerous.

The safety of our customers' children is of course our highest priority, so as a precautionary measure we are removing these products from sale and asking for them back.

Please do not allow your child to continue wearing these shoes. Please return them to your nearest Clarks stockist and we will happily give you a refund.

If you know of anyone who has bought these products for their children please let them know about this as soon as possible.

If you have any queries please talk to somebody at your local Clarks shop or Clarks stockist, or call the Clarks Customer Helpline on: 08444 995544

We are sorry for any inconvenience this may cause you.
