ELECTRONICS

## Welcome to Denver Electronics

### BATTERY RECALL!

DENVER ELECTRONICS offers free replacement batteries from the recall of batteries. The recall is for reasons of consumer safety and applies batteries of 7" portable DVD players as explained below:

#### DENVER MT-748 DVBT

The battery only for DVD players, where the first 4 digits of the serial number starts with 4181 or 4182 or 4245 or 4361 or 4434 or 4445 or 4449

#### DENVER MT-738

The battery only for DVD players, where the first 4 digits of the serial number starts with 3952

#### DENVER MT-732 BLACK

The battery only for DVD players, where the first 4 digits of the serial number starts with 4105

#### DENVER MT-732B

The battery only for DVD players, where the first 4 digits of the serial number starts with 3953

Sample serial number: 4181-xx/xx/xxxxx

The recall does not apply to the DVD player, which can be used without the battery until that is exchanged.

If your DVD player listed above, please take the battery to the place where you bought it to dispose of the old battery.

This ad should be carried!

The free replacement battery will subsequently be sent directly to you.

Please notice:

It is only batteries for DVD players with the serial numbers mentioned that are affected!
